

DIY Christmas Tree Gift Tags

by Rebecca Langford

INSTRUCTIONS

Print template* on cardstock. Cut out each part and use 1/8" hole punch to punch wherever indicated by the small gray circles. (CUTTING MACHING users: cut template* on cardstock.)

Using yarn needle with green yarn doubled, **sew lines where indicated.** (Lines are included on printer file, but not on cutting machine file.)

Repeat with brown yarn for trunk of tree.

Continued on next page

Tape yarn ends down on back of card.

Add a **star**.

Add glue to backing card, and press to the back of the tree card, enclosing yarn ends in between. Let dry.

Done!
